DECISION AND REASONS FOR DECISION

Published: 30 August 2018

DEFAMATION CAUTION

The general law of defamation, as modified by the *Defamation Act 2005 (WA)*, applies to the further release or publication of all or part of this document or its contents. Accordingly, appropriate caution should be exercised when considering the further dissemination and the method of retention of this document and its contents

Introduction

1. At its meeting on 30th April 2018, the Panel found that Councillor Paul Miles, a Councillor for the City of Wanneroo (**“the City”**) committed a breach of the Local Government (Rules of Conduct) Regulations 2007 (WA) (**“the Regulations”**) being of Regulation 6(2)(b) when he disclosed information acquired during the Closed OCM in a Facebook post on 15th November 2017 (**“the Minor Breach”**).

Jurisdiction

2. The Panel convened on 9 August 2018 to consider how it should deal with the Minor Breaches.
3. The Panel accepted the advice of the Department of Local Government, Sport and Cultural Industries (**“the Department”**) that on this date there was no available information to indicate that Cr Miles had ceased to be or was disqualified from being a councillor.

Possible Sanctions

4. Section 5.110(6) of the *Local Government Act 1995 (WA)* (**“the Act”**) provides that the Panel is to deal with a minor breach by:
 - a. *dismissing the complaint;*
 - b. *ordering that —*
 - i *the person against whom the complaint was made be publicly censured as specified in the order;*
 - ii *the person against whom the complaint was made apologise publicly as specified in the order; or*
 - iii *the person against whom the complaint was made undertake training as specified in the order;*
 - c. *ordering 2 or more of the sanctions described in paragraph (b).*

Councillor Miles’ Submissions

5. If the Panel finds that a councillor has committed a minor breach, it must give the councillor an opportunity to make submissions to the Panel about how it should deal with the breach under section 5.110(6).¹
6. By letter dated 24 May 2018, Cr Miles was:
 - a. notified of the Panel’s finding of the Minor Breaches;
 - b. provided with a copy of the Panel’s Finding and Reasons for Finding; and
 - c. offered an opportunity to make submissions as to how the Minor Breaches should be dealt with under section 5.110(6) of the Act.
7. The Department did not receive any submission from Cr Miles within the 14 day timeframe provided in the letter of the 24 May 2018.

¹ *Local Government Act 1995 (WA)*, s 5.110(5).

Panel's consideration

8. Section 5.110(6) is about penalty. The Panel does not have the power to review any finding of a breach. The Panel may dismiss a complaint under section 5.110(6)(a), not to reverse the Panel's finding of a breach but to indicate that in all the circumstances the councillor should not be penalised and the breach should not be recorded against the councillor's name.
9. Councillor Miles has not acknowledged the Minor Breach, nor apologised or accepted responsibility for his misconduct.
10. In all his prior submissions Cr Miles asserted that he did not consider that his actions constituted a minor breach.
11. Maintenance of confidentiality by council members is a serious obligation. An unauthorised disclosure has the potential to undermine the trust and confidence of council members in each other and has the potential to impair the efficacy of a council's deliberation.²
12. The Panel has considered all available sanctions under section 5.110(6).
13. Given the serious nature of the minor breach, the appropriate penalty is that Cr Miles be publicly censured for the breach of regulation 6(2)(b) pursuant to section 5.110(6)(b)(i) of the Act.
14. A censure is a public statement of disapprobation of a councillor's conduct. The Panel considers this to be the appropriate penalty as it will send a message to the community and other councillors that Cr Miles's conduct was unacceptable and deserving of a serious penalty.
15. Further this measure also demonstrates support of the institution of local government and those council members who properly observe the standards of conduct expected them.

The Panel's decision

16. The Panel orders that that under section 5.110(6)(b)(i) of the Act, in relation to the breach of regulation 6(2)(b) of the Regulations, Cr Miles be publicly censured in terms of the attached Order.
